Medicare-Medicaid Provider Directory Required Data Survey

CMS has provided guidance on data elements which will be required for tracking purposes and will be published in our Provider Directory as well as our online Find A Provider tool (FAP). These data elements need to be collected and will be required to be updated regularly. This brief questionnaire has been designed to easily collect this information by location.

Please answer the questionnaire to the best of your ability and knowledge. Please ensure you answer every question and nothing is left blank. The information you report will be presented in the Provider Directory and on FAP.
